TRAVISIONS 2018

TWO ACADEMIC COMPETITIONS ON INNOVATIVE TRANSPORT CONCEPTS

FINAL AWARD CEREMONY AT TRA 2018, VIENNA 16-19/04/2018

Winning Young Researchers from 2016 with the TRA VISIONS project coordinator

TRA VISIONS 2018 YOUNG RESEARCHER COMPETITION

The EU funded competition awards monetary prizes sponsored by industry to BSc, MSc and PhD candidates from all over Europe. Winners will take part in a prestigious award ceremony at the TRA 2018 in Vienna and will have the opportunity to meet EC representatives and experts in the field of transport.

TRA VISIONS 2018 SENIOR RESEARCHER COMPETITION

Senior researchers involved in EU-funded projects are encouraged to participate in the competition that will identify and acknowledge leaders that generate impactful research in transport in the EU. Winners will receive awards from EC representatives and will present their work on an international stage.

European Commission representative hands the prize to Dr. Conte, the 2016 road winner
